

# *“Celebrating the Special Places of the Southeast”*

## **THE VIDEO ESSAY**

***“Celebrating the Special Places of the Southeast”*** is a video slide show of the national park sites in the Southeast and their park rangers.

Showcasing the special places of the Southeast and the exceptional park staff who make visiting an amazing experience, this presentation builds on Ken Burns’ National Parks documentary.

Narration by southeast Senators, Sen. Joe Manchin (D-WV) and Sen. Johnny Isakson (R-GA) with the hope to build media and public awareness of the celebration of the Southeast’s special places.
