

TOURISM WORKS! FOR THE SOUTHEAST

Domestic and international travelers to the Southeast USA spent \$210 billion in 2013, supporting 2.1 million jobs with a payroll of \$52 billion, and generating federal, state, and local tax receipts of \$31 billion.

Travel and tourism's economic impact was felt broadly in communities across our region as is seen in the breakdown of key economic indicators by congressional district on the individual state fact sheets.

Travel & Tourism Spending in the Southeast.....	\$210,400,000,000
Travel & Tourism direct payroll in the Southeast.....	\$52,000,000,000
Travel & Tourism Tax Receipts in the Southeast	\$31,000,000,000
Direct Travel & Tourism Jobs in the Southeast	2,180,000
