

2017 Federal Tourism Directory

This bi-annual directory strengthens our federal voice on tourism and is a direct result of a unique partnership between Southeast Tourism Society and its federal partners with dedicated tourism programs:

Advisory Council on Historic Preservation
Department of Agriculture/U.S. Forest Service
Department of the Army/U.S. Army Corps of Engineers
Department of Commerce/National Travel and Tourism Office
Department of Interior
Bureau of Indian Affairs
Bureau of Land Management
National Park Service
U.S. Fish & Wildlife Service

Designed to map the federal government's tourism programs and help educate policymakers, this informative tool is distributed to every congressional office (100 Senate and 435 U.S. House of Representatives) in Washington, D.C. It provides an overview of each agency's tourism programs as well as a list of key staff contacts for use by members of Congress and community leaders.

Our goal is to enhance government policies to promote tourism growth. When accomplished, it will pay dividends to local communities and businesses that utilize tourism for their economic vitality.
